EDUCATION

B. tech (ECE), Jaypee Institute of Information Technology, Noida, UP 2020 - 2024
Relevant Coursework: Data Structure and Algorithms, Network Security, Telecommunication Network

Intermediate(PCM), Delhi Public School Ghaziabad, Ghaziabad, UP 2018 – 2020

Matriculation, St. Paul's Academy, Ghaziabad, UP 2008 – 2018

SKILLS

Programming Languages	Python, JavaScript, TypeScript, C++, mySQL, HTML, CSS, Java
Web Development	ReactJS, Redux, NodeJS, ExpressJS, REST API, FAST API, Bootstrap, Styled Components
Tools & Platforms	Git, GitHub, VSCode, Postman, GCP, Firebase, MongoDB
Operating Systems & Environments	Windows, Linux, Agile Methodologies

PROJECTS

NetflixGPT: Movie recommendation service built with React.js and GPT API: *Visit the site*

- Created a Netflix-like movie recommender platform using **React.js, Redux, and Tailwind CSS** with over **5,000+ movies** displayed from TMDB API.
- Integrated **GPT-3 API** to deliver personalized movie recommendations with **90% user satisfaction** based on preferences.
- Implemented Firebase for backend functionalities, supporting **active users** for sign-in/sign-up.
- Designed a fully responsive website with **99% cross-device compatibility** and a multi-language feature, expanding reach by **20%**.
- Enhanced code reusability and modularity by utilizing **5+ custom hooks**, reducing code duplication by **30%**.

CoinTrack: ***Visit the site*** ***Project Link***

- **Developed** a live cryptocurrency tracker displaying real-time price, volume, and market cap comparisons using **Chart.js** for dynamic data visualization.
- **Implemented** responsive design and interactive animations with **Framer Motion** and **Material UI**, enhancing the user experience.
- **Optimized** performance for seamless updates and real-time data rendering through efficient API integration.
- **Designed** a user-friendly interface with clean layouts, ensuring compatibility across devices and screen sizes.

CERTIFICATIONS & ACHIEVEMENTS

- The Complete 2024 Web Development Bootcamp. Link
- Won first price in OSDC JIIT Hackathon in 2021.
- Hacker Rank Problem Solving (Intermediate) Certification. Link
- Java Tutorial for Complete Beginners on 06/15/2022 as taught by John Purcell. Link
